H. DETERMINING WHO QUALIFIES

Qualifying games are responsible for determining qualifiers at their games and for advising the NSGA who has qualified. NSGA qualifying games that permit and encourage participation by out-of-state residents are classified by the NSGA as "open." (Note: This should not be confused with "limited" events.)

Each event allows for a specific number of qualifiers. If out-of-state residents qualify at an "Open" qualifying games, they will not take away a qualifying spot from a state resident. "Open" games may qualify the number of state residents specified for each event in addition to the out-of-state qualifiers. The NSGA definition of an athlete's state of residence is that state in which the person resides for at least six months out of the year.

It shall be the responsibility of the state games to determine whether a doubles team made up of one in-state and one out-of-state athlete is considered an in-state or out-of-state team. The state games shall inform competitors of its policy prior to the start of qualifying competition.

Competition must take place to determine qualifiers. If there is only one individual entered in an age group, that athlete must enter and complete the event in order to be given the gold medal and to qualify for the National Senior Games. Athletes should be placed in the age division nearest their own in order to compete. Competition for the athletes in this "closest age division" shall be considered exhibition.

If there is only one team entered in an age division, that team should be given exhibition opportunities with the closest age division. No team shall be qualified without participating in a qualifying game.

The NSGA shall determine whether an athlete has met the qualifying criteria for "limited" sports events.

Athletes may also qualify by meeting or exceeding the Minimum Performance Standards (MPS) in Archery, Golf, Race Walk, Road Race, Swimming and Track & Field at a 2012 qualifying games. In general, the MPS is based on the time, distance or score of the 6th place finisher from the previous National Games, plus or minus 10% (Plus 10% for timed events; minus 10% for distance and scored events). If this formula would relax the MPS, a change will not be made and the previous MPS will continue to be used. An MPS will not be changed by more than 10% per Games. MPS shall decrease or be equal in difficulty as age divisions increase. The NSGA reserves the right to use judgment based on experience when setting the standard, therefore, a standard may not always match the formula if applied to the results of the most recent Games.

I. NSGA DEFINITION OF A PROFESSIONAL

Professional athletes shall not be eligible to compete in the National Senior Games in the sport in which they are a professional until 20 years after the date they last competed as a professional. They may compete in other sports in which they have not competed professionally.

A professional is someone who competes in a sport for money as a primary source of personal revenue. People who compete in a sport in which minor amounts of money are given as prizes are not deemed professionals. Individuals whose primary activity is teaching a sport but occasionally play for a minor amount of money are also not deemed professionals.

The NSGA shall have the final authority to determine who is deemed professional for the purpose of competing in NSGA events. The NSGA reserves the right to determine professional status based on established NGB standards and professional competition history.

J. UNIFORMS AT THE NATIONAL SENIOR GAMES

PARTICIPANTS: All athletes must wear athletic-type clothing and shoes that are usual and customary for the sport in which they are competing. Street-type clothing and shoes that are inappropriate may cause disqualification. Competition Managers have been given authorization by the NSGA to make this determination.

TEAM UNIFORMS: Team clothing (shirts, pants, and shorts) must be of like design and color. Jerseys that are numbered on the front and back are highly recommended. Refer to each sport for specific details.

Uniforms shall be free of inappropriate symbols or wording.

K. PROTEST POLICY

Any person desiring to make a protest with regard to any aspect of competition at the National Senior Games shall make such protest to the Competition Manager of the competition in question. All protests must be written and submitted to the Competition Manager within 30 minutes of the conclusion of the game, match, heat, or event under protest. The Competition Manager will evaluate the protest and render a decision. If the Competition Manager's response to a protest is such that a further hearing is desired, a hearing may be requested with the NSGA Director of National Games. This request must be made to the Competition Manager or NSGA Director of National Games within 30 minutes of the initial protest denial. All decisions by the NSGA Director of National Games are final and not subject to further appeal.

L. EVENT ENTRY LIMITS

Athletes may enter no more than two individual sports at the 2013 Summer National Senior Games. Individual sports are as follows:

In addition to two individual sports, athletes may compete in **two team sports** (basketball, softball or volleyball). Athletes may compete in more than one team sport but may only be a player on one team roster per team sport. For example, an athlete may be on one basketball and one softball team but not two basketball teams.

The Local Organizing Committee (LOC) and the NSGA may place a cap on the total number of entries for any and/or all sports and/or events in the best interest of games management. At the time this rulebook was printed, the necessary caps had not been determined. Therefore, these rules will serve as a guideline for both the LOC and the NSGA. However, additional modifications may be made in order to meet the necessary caps. Member organizations will be notified any time a cap or modification is necessary.

The NSGA and the LOC will not accommodate individual scheduling requests.

M. REQUIRED CREDENTIALS

Any player unable to provide the required credentials on the playing field shall be declared ineligible to compete until he/she can produce them. A manager may request verification of a player's eligibility. Should a player play and be unable to provide the required credentials he/she or his/her team will forfeit all games in which the player participated. A valid, government issued photo identification card, such as a driver's license shall be the only age and residency proof accepted.

For team sports, all non-playing coaches, non-playing captains and non-playing bench personnel must be credentialed for access to the field of play.

Medals and ribbons will only be issued to properly credentialed personnel.

The NSGA reserves the right to revoke any credential at any time.

N. SEEDING

All seeding shall be random except as follows.

1. Track and swimming heats will be seeded in accordance with standard national governing body procedures.
2. Table Tennis will use USATT rankings to assist in pool seeding if available.
3. Results of past National Senior Games will be used whenever possible.

4. Home state information will be made available to the Competition Manager. Every effort will be made to schedule preliminary round matches between players/teams of different geographic areas.

O. NATIONAL GOVERNING BODY RULES

All sports/events shall be governed by the rules of the national governing body (NGB) for that sport. The NSGA has modified some of these rules in the best interest of the participants. All rules shall apply as stated in the NGB and NSGA rulebooks. NGB rulebooks in effect the opening day of the National Games, shall govern the 2013 Summer National Senior Games, unless otherwise noted.

In case of conflict between NGB and NSGA rules, NSGA rules shall govern.

P. HOW TO SUGGEST A RULE CHANGE FOR SUBSEQUENT GAMES

Suggestions for rules changes may be made in writing to the NSGA up to 30 days after the 2013 Summer National Senior Games. NSGA rules are reviewed and approved by the NSGA National Games Committee and Board of Directors and are normally published in February of qualifying years.

Q. HOW TO SUGGEST THAT A NEW SPORT BE ADDED TO THE NATIONAL SENIOR GAMES

You may contact the NSGA if you would like to suggest that a new sport and/or event be added to the menu. You must include the following information:

3. The number of people ages 50 and older who participate in this activity.
4. The geographic distribution of people ages 50 and older that participate.
5. Anything else you think is important.

New sports and events are approved by the NSGA National Games Committee and Board of Directors.

R. DEFAULT DURING COMPETITION

Athletes or teams that forfeit during pool play rounds shall not be permitted to advance to the championship or consolation brackets except where such a forfeit is the result of a verified medical reason, or a good-faith effort was made to compete. Verification by a member of the Games' medical staff of an athlete's injury and capability to continue must be submitted to and subsequently approved by the Competition Manager and the NSGA prior to the athlete being permitted to continue. A good-faith effort to compete will be determined by the Competition Manager and the NSGA.

Athletes or teams that forfeit during championship or consolation play shall not be eligible for awards except where such forfeit is the result of a verified medical condition, or a good-faith effort was made to compete, and does not result in a Did Not Finish under NSGA or NGB rules. Their award spot will be left open and subsequent places will not be moved up. Verification by a member of the Games' medical staff of the athlete's injury must be provided to and subsequently approved by the Competition Manager and NSGA prior to receipt of any awards. A good-faith effort to compete will be determined by the Competition Manager and the NSGA.

S. REPRESENTATION DURING NATIONAL GAMES

All athletes and teams must represent one of the Association's Member Organizations during competition at the National Games.

T. ADDITIONAL QUALIFIERS

The NSGA reserves the right to alter qualifying standards prior to competition.

U. POLICY FOR GOVERNING DETERMINATION OF GENDER FOR THE PURPOSES OF COMPETITION IN NATIONAL EVENTS

The following policy shall govern national competition sanctioned by the National Senior Games Association and serve as a guideline for Member Organizations.

The NSGA does not routinely require its participants to provide proof of gender. There may, however, be rare circumstances in which an athlete's gender may be called into question.

In these circumstances, an athlete shall be considered to have provided adequate proof of gender by presenting one of the following documents;

1. a valid photo identification card such as a driver's license, passport or green card that states the athlete's gender, OR
2. a copy of a valid in force medical or health insurance policy that unequivocally states the athlete's gender.

Birth certificates shall not be acceptable.

The Summer National Senior Games is comprised of 19 sports for "able-bodied" athletes. At the discretion of the NSGA, athletes with physical disabilities may be allowed to compete insofar as any and all handicap devices used by the athlete falls within certain rules and regulations to ensure fairness in competition. The NSGA will abide by the rules of the National Governing Body (NGB) of the athlete's sport to govern circumstances regarding athletes with disabilities in able-bodied competition for specific sport instances. The use of any technical device that incorporates springs, wheels or any other element that provides the user with an advantage over another athlete not using such a device will be prohibited in athletic competition.

W. NSGA Banned Substance Policy

The NSGA does not currently test for banned or performance enhancing drugs. If an athlete is found to be using drugs by any other agency they will also be banned from future NSGA competitions.
