

THE OC DOMINATES IN THE POOL AT THE WORLD MASTERS

The OC sent four teams to the World Aquatics Masters Championships in Singapore, and they're all coming back with medals, three golds and one silver.

The Men's 60+ team, led by Michael Haley, went a perfect 6-0, outscoring their opponents 86-27. This was the eighth world title for the 60+, having won in every age division at the World Championships at least once since this team began competing in the 30+.

The Men's 40+ team beat Orange County 24-6 in their title match to capture gold. The squad was led by Brian Alexander with 26 goals, while Peter Conte and Chris Lathrop each chipped in with 17 each.

Vassilis Tzavaras, Connor Stapleton and Jackson Kimbell led the Men's 30+ team to their gold medal as they went a perfect 5-0 in the tournament.

The Women's 30+ team had a great week, going 4-2 and capturing the silver medal, with their only two losses coming against a tough Italian team. The women were led in scoring by Gina Castagnola and Carla Toccini.
