

Dear Archers,

March 29, 2011

As the volunteer Event Commissioner for the annual Archery Events of the California State Senior Games, I wish to say to everyone associated with the two Archery Tournaments on March 26-27, 2011 thank you, thank you, thank you. It was invigorating, fun, and memorable from rainy start to dry finish.

First, I wish to thank Anne Cribbs, Director of the California State Senior Games and her efficient staff, Helen, John and Marsha, for all their special help. Second, I give a huge round of applause to the Stanford Archery Club President Chanh, archer angel Angela and their Coach Francis for providing the range, equipment and people power. Next, I extend a big thanks to all the community volunteers who helped in lots of ways and always with big smiles. And finally, the indispensable Director of Shooting Mr. Parchaso for officiating with ease. A big thumbs up to all.

And finally, a huge cheer to all fifteen intrepid, not to be deterred, super senior archers who came, competed and conquered at the two top quality championship Archery events. We had four new first time shooters and lots of loyal returning archers. I am glad you came and sincerely hope you had a great time with your fellow archers. Please mark your calendar for next year's State Senior Games Championships and recruit your friends. Remember, you could win the AIM HI Charitable Foundation \$50 scholarship. To be considered for this special scholarship award next year, you, as current '11 SSG archer, must register three new first time participants to both archery events of the **2011 CA State Senior Games**.

On Saturday, drizzly rain met the set-up crew and archers but gradually cleared and Sunday the weather was a bit cold and breezy until the sun and blue sky appeared in mid afternoon. The Senior Archers produced a very high caliber competition resulting in nineteen Gold medalists, plus 11 new records on the double 300 round, and 2 records on the American 900 round. Your results will go into the famous **Official Program/ Record Book**. Congratulations to all the medal winners and hope you achieved raising your Personal Best scores.

The semi-official Results are attached. Also, check the web page for all Games results [www.bayareaseniorgames.org](http://www.bayareaseniorgames.org). A group picture of the fabulous 2011 Senior Archers will be sent for your enjoyment if you request it by emailing me. Again, thank you very much for your part in the success of this year's California State Senior Games Archery Events.
